# Dyeing and Screen-Printing on Textiles, 2nd Edition

## Revised and Updated

Joanna Kinnersly-Taylor

Covering all the key processes used in creating dyed and screen-printed fabrics, this easy-to-follow guide is aimed at both students and professionals.

*Dyeing and Screen-Printing on Textiles* includes recipes for cloth preparation, dyeing and printing, fixation, designing a repeat, and preparing imagery and screens for exposure. This new edition has been fully updated and features brand new colour illustrations, showing work from around the world.
